Application Instructions

The Allied Healthcare Scholarship Program is offered to students enrolled or accepted in an allied healthcare education program. Students who attend a community college program are eligible for a scholarship up to \$4,000. Students who attend a university program are eligible for a scholarship up to \$3,000.

Applications for the Allied Healthcare Scholarship are accepted biannually in March and September. Scholarships funded under this program are intended to pay or repay tuition, required fees, books, supplies, and educational equipment costs related to the student's allied healthcare education. All awards are subject to the availability of funding.

The purposes of the Allied Healthcare Scholarship are: 1) to encourage allied healthcare professionals to practice direct patient care in a medically underserved area of California; 2) to increase the number of appropriately trained allied healthcare professionals; and 3) to encourage underrepresented groups to pursue the allied healthcare profession.

Although this scholarship is funded by Kaiser Permanente, awardees of this program are not obligated to work for Kaiser Permanente.
